Believe it or not, it is already time to begin preparing for the upcoming school year! Although I'm sure that you've heard all about Derech HaTorah, if you haven't visited us yet, the best way to experience Derech HaTorah is in person. Unless you see the classes in action, it's hard to adequately convey the high standards, truly caring faculty and happy atmosphere that are clearly evident when you visit DHR. If you already have a child at DHR, you know what I'm talking about. If not, I would be delighted to give you a VIP tour!

If you have already decided that you would like to send your child to DHR, please complete the attached application form and return it along with the non-refundable \$250 registration fee per child. If you are still undecided, please call me to set up a time to meet.

Why do we start this process so early? We have found that it is incredibly difficult to hire teachers, order textbooks, finalize the number of classrooms needed and buy supplies without knowing how many students will be in each class. Please assist Derech HaTorah (and ultimately, your child) in ensuring a smooth planning process. In order for us to plan accurately for the 2009-2010 school year, and for your \$250 registration fee to be applied to your child's tuition, we must receive the attached form and registration fee **by May 1, 2009**.

Derech HaTorah of Rochester admits Jewish students whose parents desire a superior, balanced Judaic and general studies education for their children. We do not discriminate on the basis of race, color and national or ethnic origin in administration of our educational policies, admission policies, scholarships or other school-sponsored programs.

The tuition fee structure for 2009-2010 is as follows:

Grades K - 8 \$9,690

Families enrolling more than one child will receive a 20% discount on each subsequent child's tuition. Please note: parents' inability to pay full tuition is not a factor in the admissions process. Scholarships will be awarded based on financial need. Upon receipt of the admissions form and registration fee, (which will be applied to tuition if paid before 5/1/09), we will contact those applying for scholarships and begin the process.

We are eager to make the admissions process as easy and as painless as possible. If you have any questions, please do not hesitate to call or e-mail me at (585) 266-2920 or leagoldstein@frontiernet.net.

Sincerely,

Lea E. Goldstein
