Dear Parents,

As per your request, enclosed is the 2009-2010 DHR scholarship application form. Please note that the completed form must be returned to the Derech HaTorah office **by Tuesday, June 2, 2009**. As indicated on the form, we will need a copy of all pages and schedules of your 2008 Federal Income Tax Return (see application for details). Furthermore, in order for us to process the application, it must be filled out in its entirety. Please save us the time and headache of sending back forms with incomplete information.

Additionally, please note that scholarship forms can not be processed until the current year's tuition is completely paid up or the school has post-dated checks for the full amount due. Finally, we cannot process scholarship forms unless students are registered and the registration fee has been paid. If you have not yet registered your children and you need extra registration forms, please contact the office.

As we (א"י) enter our sixth year and continue to grow, we are anticipating keeping our 2009-2010 budget, once again, slightly over the \$430,000 mark. Growth is exciting, yet daunting. It is imperative that we exercise fiduciary responsibility and continue to create budgets that are manageable. As I'm sure you have heard, we have kicked off an endowment fund campaign designed specifically to raise funds to cover the costs of the many unfunded scholarships. However, the fund is still small and does not yet have the capability of generating significant funding. Therefore, although we wish that we could educate your children for free, the reality is that we must continue to pay our rent and teachers' salaries and purchase materials, textbooks and supplies. **Consequently, our scholarship process is designed to ensure that every family pays a fair share towards the education of their children.**

Thank you for understanding and assisting us in making this process as painless and as equitable as possible.

Sincerely,

Lea E. Goldstein
