Dear Parents,

Believe it or not, it is already time to begin preparing for the upcoming school year! Although I'm sure that you've heard all about Derech HaTorah, if you haven't visited us yet, the best way to experience Derech HaTorah is in person. Unless you see our classes in action, it's hard to adequately convey the high standards, truly caring faculty and happy atmosphere that are clearly evident when you visit DHR. If you already have a child at DHR, you know what I'm talking about. If not, we would be delighted to give you a VIP tour!

If you have already decided that you would like to send your child to DHR next year, please complete the attached application form and return it along with the non-refundable \$300 registration fee per child. If you have any questions or concerns, please call me to set up a time to meet.

Why do we start this process in the spring? We have found that it is incredibly difficult to hire teachers, order textbooks, finalize the number of classrooms needed and buy supplies without knowing how many students will be in each class. Please assist Derech HaTorah (and ultimately, your child) in ensuring a smooth planning process. In order for us to plan accurately for the 2022-2023 school year, and in order for your \$300 registration fee to be applied to your child's tuition, **we must receive the attached form and registration fee by March 21, 2022.**

Derech HaTorah of Rochester admits Jewish students whose parents desire a superior, balanced Judaic and general studies education for their children. We do not discriminate on the basis of race, gender, color and national or ethnic origin in administration of our educational policies, admission policies, scholarships or other school-sponsored programs.

The tuition fee structure is set at the following for the 2022-2023 school year:

- Current DHR families:	Grades K - 8	\$10,800 per child*
- New DHR Families:	Grades K - 8	\$ 1,000 per child**

(please check our website for information about the special "Bring Families to DHR" tuition discounts for current DHR families)

*Families enrolling more than one child will receive a 20% discount on each subsequent child's tuition.

**New Family Offer details on our website at: <https://www.derechhatorah.org/tuition-incentive-programs.html>.

Please note: Parents' inability to pay full tuition is not a factor in the admissions process. Scholarships will be awarded based on financial need. Upon receipt of the admissions form and registration fee (which will be applied to tuition if paid by 3/21/22), we will contact those applying for scholarships and begin the process.

We are eager to make the admissions process as easy and as painless as possible. If you have any questions, please do not hesitate to call or e-mail me at (585) 266-2920 or principal@derechhatorah.org.

Sincerely,

Lea E. Goldstein
