As you've probably heard, our **new \$7,000 New Family Maximum Tuition Promotion is live!** We understand the difficulties that many families face in paying tuition. This burden can be even more difficult for large families and/or families adjusting to a new city. Here's a fantastic offer! **Families that move to Rochester and enroll their children in Derech HaTorah will pay a maximum of only \$7,000 per year in tuition for all of their children attending DHR for as long as they attend the school!** Please note that this promotion applies only to families whose children are accepted for enrollment at DHR. How can you help? Start spreading the word!!!

## "משונכס אדר" מרדכי בשמחה! Adar Fun! "מרדכי בשמחה"

**Monday, March 6- Buy your way out of the uniform, or dress in costume** to feed poor people in Israel (via Od Yosef Chai). See flyer for more details. Send in a minimum contribution of **\$5 per child.**

## Fun & Learning @ DHR!

What about current, local families that moved here in previous years and whose children already attend DHR? We are thrilled that you are here in Rochester and this offer is for you: **Current DHR families will be required to pay only \$10,000 per year for all of their children!** While it is a financial risk for DHR, we are betting that many new families will move to Rochester and we will continue to grow our school and community. This offer will be available for all local families and we hope that it will be successful and that we can continue to offer it in future years!

Finally, for those who want to help support and underwrite the costs of these special promotions, we are excited to announce that our local Jewish Community Federation will be starting a new **"Grow Rochester Fund"** to help us offset the costs of growing our community. In addition to being a great cause, it's also tax-deductible and any donation to the "Grow Rochester Fund" will be matched by 25%! We will let you know when this fund opens!

As always, we are available for questions and thrilled to be the bearer of good news!

There were all sorts of fun booths created and staffed by our middle school girls, cotton candy and a giant bounce house! What a great way to get into the Purim spirit! Thanks to Mrs. Ribakow for coordinating and to our 6/7/8G for running the event!
