THE YESHIVA OF ROCHESTER - TIUNY & DERECH HATORAH OF ROCHESTER

IT'S ALL ABOUT YOUR CHILDREN!

PARTNER WITH US:

Join with the Yeshiva and DHR to advance community, continuity, and outstanding scholarship. **This Tuesday and Wednesday, we have the opportunity to strengthen the only Kindergarten through Bais Medrash school system in Western New York.**

CELEBRATE WITH US:

"יחי בהם" - Celebrate our schools' milestones: 18 years "חי" for DHR and 47 years "בהם" for the Yeshiva. Mazel Tov!

SUPPORT THE GROWTH:

With the support of our parents, faculty, hanhala, and partners—we have built schools that are academically inspiring, nurturing, and joyful - with an individualized learning experience for each student. Our dedicated teams of educators, in both limudei kodesh and limudei chol, provide academically challenging curricula that motivates our young scholars to develop into intellectually curious, critical thinkers.

BE A CATALYST FOR GOOD:

Your partnership funds scholarships and operating expenses for almost 200 bright, excited minds from K to post graduate.

ABOUT US:

For nearly 50 years, the TIUNY/Yeshiva of Rochester has inspired talmidim and developed greatness. With the creation of Derech HaTorah Rochester in 2004, the most comprehensive Jewish school system in Upstate New York was formed. By meeting the academic, social and emotional needs of students as they progress through their education, our schools empower our talmidim to become leaders, with the knowledge and skills to convey the beauty and promise of their heritage to their future families and communities.

MAKE AN IMPACT:

Every dollar that you donate is **TRIPLED!!**

\$50	x 3	= \$150
