

To my dearest Talmidos!!

We have learned and accomplished so much this year! It's hard to believe how fast the year has flown by and that it is now summer!!

And now, the moment you have all been waiting for... SUMMER HOMEWORK!! I'm just joking, although I really do hope that you'll do your homework, and not just because of the amazing prizes that await you... but because I want you to continue to grow over the summer!

One of our favorite things to do this year in Chumash was... you guessed it! Choice board! So attached you will find a choice board for the summer! In order for your choice board to be considered "complete" you will need to choose 5 boxes (as usual). One from each column, and two additional boxes of your choice. At the beginning of the school year next year, you will need to turn in your signed choice board along with any activities you did. You know the rules - there is always partial credit!

If you have trouble with remembering all of those Shorashim, use your tools! Call a friend, look up words in the Chumash, if you kept your Shoresh passport - use it! Do as many words on the list as you can!

Besides for doing your choice board, please remember to daven each morning - like we sang every day this year - it's a special opportunity to talk to Hashem! He is always listening and is waiting to hear from YOU!! I hope you will also use your journal and continue writing in it - whether you choose to write down השגחה פרטית or things that you have הכרת הטוב for, fill it up!!

I will miss you all over the summer (and I hope I will get to see you around!!)

With lots of love,
Mrs. Ribakow
