

7th Grade Summer Packet 2018/5778

Hi All,

I hope you are doing well. It has been a tremendous privilege to teach גמרא to your sons, and it is my deepest hope and desire to see them retain the Holy learning we did together. In order to reach this goal, the boys will need to spend time during the summer reviewing the material. I have posted a Chazara calendar below to help them pace themselves. When your son reviews the material, please initial the date. They can feel free (but are not required to) use the Gemara recording hotline if they would like to show me that they are reviewing. At the beginning of the coming school year, your son will earn DHR dollars based on the amount of Chazara they accomplish. Hatzlacha Rabbah and have a great summer.
