March 1, 2023

Dear Parents,

Believe it or not, it is already time to begin preparing for the upcoming school year! Although I'm sure that you've heard all about Derech HaTorah, if you haven't visited us yet, the best way to experience Derech HaTorah is in person. Unless you see our classes in action, it's hard to adequately convey the high standards, truly caring faculty and happy atmosphere that are clearly evident when you visit DHR. If you already have a child at DHR, you know what I'm talking about. If not, we would be delighted to give you a VIP tour!

Why do we start this process in the spring? We have found that it is incredibly difficult to hire teachers, order textbooks, finalize the number of classrooms needed and buy supplies without knowing how many students will be in each class. Please assist DHR (and ultimately, your child) in ensuring a smooth planning process. In order for us to plan accurately for the 2023-2024 school year, please return the attached form and registration fee by March 24, 2023.

As you've probably heard, our new \$7,000 New Family Maximum Tuition Promotion is live! We understand the difficulties that many families face in paying tuition. This burden can be even more difficult for large families and/or families adjusting to a new city. To help ease the transition of new families to Rochester, we have a fantastic offer! Families that move to Rochester and enroll their children in Derech HaTorah will pay a maximum of only \$7,000 per year in tuition for all of their children attending DHR for as long as they attend the school!

What about current, local families that moved here in previous years and whose children already attend DHR? We are thrilled that you are here in Rochester and this offer is for you: **Current DHR families will be required to pay only \$10,000 per year for all of their children!** This offer will be available for all local families and we hope that it will be successful and that we can continue to offer it in future years! For more details about tuition, please visit DHR's website or www.torahrochester.com.

Please note: Parents' inability to pay full tuition is not a factor in the admissions process. Scholarships will be awarded based on financial need. Upon receipt of the admissions form and registration fee, we will contact those applying for scholarships and begin the process. Derech HaTorah of Rochester admits Jewish students whose parents desire a superior, balanced Judaic and general studies education for their children. We do not discriminate on the basis of race, gender, color and national or ethnic origin in administration of our educational policies, admission policies, scholarships or other school-sponsored programs.

We are eager to make the admissions process as easy and as painless as possible. If you have any questions, please do not hesitate to call or e-mail me at (585) 266-2920 or principal@derechhatorah.org. Also, you can complete registration online! To access the form, visit www.derechhatorah.org and go to the admissions page.

Sincerely,

Lea E. Goldstein
Principal
