- All sales are final. No exchanges or refunds are possible. All items are sold "as is."
- Values quoted are for donor estimates only. The tax deductible portion of amounts paid by auction patrons is limited to the excess over the fair market value of goods and services purchased as allowable by law. Our tax ID #: 16-1032869.
- Many items, including certificates and passes, have specific uses, restrictions or expiration dates. In most cases, items must be used within one year of the auction.

The highest bidder acknowledged by the Auctioneer will be the purchaser. The Auctioneer will have the sole and final authority to determine the winning bidder. Bidders are financially responsible for the use of their bid numbers.

All new bids must be higher than previous bids. Please do not scratch out bids. Bids may only be voided by an auction volunteer due to valid bidding error. Please seek assistance if you find an invalid bid or make a mistake during bidding. When the silent auctions close, the highest bid on each bid sheet will be declared the winner. If conflict arises over identifying the last valid bid for an item, auction staff has the sole discretion to determine the winner or to impose an alternate method of closing the item for interested parties, including, but not limited to, a sealed final bid.

Special thanks to all those who made this event possible!!

Auction weekend is here! Everything looks beautiful thanks to the hard work, creativity and generosity of our volunteers and many donors!

This year, we have over 100 packages containing nearly 250 items! All donated! What does that mean? First of all, it means that there are many gracious and generous donors who want to contribute to a great cause! Also, it means that guests can snag great deals since all packages are donated (no costs) and whatever price the package is purchased for - is profit! Finally, it means that EVERY dollar raised at the auction will fund scholarships!

Thanks so much to all those who invested so much time and effort!
