

MSG Ivrit Class

The middle school girls' Ivrit class with Mrs. Shulman is always fun! Whether they are doing skits, playing games, presenting or doing projects, they have a great time improving their Hebrew language skills. Last week, they reviewed the חלקי הגוף, the parts of the body!

From the Principal

Mrs. Lea Goldstein 

I'd like to dedicate this week's Principal's Letter to Rabbi Shlomo and Malkie Noble. Their impact on our community is apparent to me nearly every day, but it was on display to Toronto's community last night. The outpouring of love and appreciation for the Nobles manifested itself with so many Rochesterians making the trip to the wedding that when some cars arrived at the border, the border guards said "Toronto wedding?".

Rabbi Noble invests many hours of his time and expertise assuring that Derech HaTorah's finances are managed with precision and accuracy. He works hard to ensure DHR's financial sustainability. Despite his many responsibilities, he always makes time for DHR!

Malkie is our most committed and dedicated volunteer! She has co-directed and run our successful, annual scholarship auction since its inception in 2008. She organizes each year's scholarship dinner and makes sure that it is beautiful, and delicious. Malkie is always there to help, anticipating what needs to be done and making it happen!

May Hashem give Rabbi and Mrs. Noble the strength to continue all of the chasadim that they do constantly, both publicly and privately, that benefit so many in our kehila. Mazel Tov!

Decorating DHR!

We just wanted to do a "thank you" shout out to our amazingly creative Morah Adina Dan for coordinating the bulletin boards this year and always putting up beautiful displays!

Auction & Give or Get Alert

This week, we need a full-court press to solicit additional items for auction. We have called or will be calling those who volunteered to give them lists for follow-up. If you haven't volunteered yet, please be aware that parents who have accepted scholarships or the new family discount have a \$1,000 give-or-get commitment. \$500 of that can be credited for at least 10 volunteer hours for our scholarship auction or dinner. So, let us know if you can help this week.

Wish List

*Needed for Science Labs: used CDs, paper towel rolls, toilet paper rolls and shoe boxes.

*Gently used sneakers for our P.E. sneaker bin. Students cannot participate in gym class without sneakers. If you have any extra new or gently used sneakers around the house, taking up space, consider donating them to our school sneaker bin. This great idea was proposed by our phys. ed. teacher, Mr. Loncoa. It will enable all children who forget to wear the proper attire to participate in gym classes.

Support Our Troops

Reminder: All cards and donations need to be in the DHR office by Thursday, December 1 in order to have enough time to reach the soldiers by the first night of Chanuka. Once again, Mrs. Chayala Diskind has offered to put together special care packages for soldiers. She is hoping to do between 50 - 100 but would appreciate donations to help offset the costs of purchasing all the items. To participate, please send your contribution to school in an envelope labeled "Soldier Packages". Below is a sample package.

Thank you to...

...Nancy Klein for her \$100 donation.
