

Welcome Back to DHR!!!

From the Principal Mrs. Lea Goldstein

We have had an amazing first week of school here at DHR, and the fun and learning is just getting started!

Thank you to...

...Mr. & Mrs. Tom Hyman for donating a beautiful, new, top-of-the-line interactive smart panel/board and laptop for our third grade classroom! So exciting! It's being installed next week!
... Mr. Bruce Dan for his very generous, ongoing support of the Torah Rochester campaign!
...Mrs. Ruth Goldstein for her generous \$250 donation to the Rabbi Philip Goldstein Memorial Fund, to cover the costs of special summer services for students not covered by Title I funds.
...Nitzvet Goldstein (DHR Class of '13) for her ma'aser donations.
...The Tennis Club of Rochester for donating over 300 tennis balls to DHR to affix to the bottoms of our students' chairs.
...Mrs. Rivka Chilungu for coordinating and helping our students plant DHR's vegetable garden! Check out our produce in these pics!
...Yitchok Gold for his ongoing donation's in honor of R' Berenstein.
...Tzvi Hirsch Caro, DHR 8th grader, for professionally binding both old and new sefarim to lengthen the lives of the books. He was trained by Rabbi Chastain and is now open for business if anyone needs their books or sefarim to be bound.

Summer Store

This summer, approximately 35 of our students worked hard on their summer homework packets and we are so proud of them! They started off this year at an advantage! Plus, they went shopping yesterday in the AWESOME DHR SUMMER HOMEWORK PRIZE STORE! Ask them to tell you about their purchases! Special thanks to Pessa & Chava Tova London for sorting summer store products and to Ms. Amanda Nau for running the store!

Getting Ready for Rosh Hashana!

Condolences to...

...the family of Bert Freedman, father of Keith Freedman.
