September 8, 2017 י"ו אלול, פרשת כי תבוא, תשע"ז

From the Principal Mrs. Lea Goldstein

Welcome back to another fabulous year at DHR!! I feel such great ruach as I walk through the halls. Students are smiling and enthusiastic, Rabbaim and teachers are planning and delivering amazing lessons, the building is clean and upgraded...and wait until you see our new, almost finished, state-of-the-art STEM lab!

We hope to have the opportunity to share all the exciting learning and ambitious goals with the parents this Wednesday evening, Sept. 13 at Meet the Teacher Night. Another copy of the schedule is attached (we emailed it on Tuesday). Looking forward to welcoming you!

Once again, R' Caro is willing to transport boys from their homes to TIUNY, then from TIUNY to DHR and then back to their houses. If you are interested in this option, please call Mrs. Elisheva Berenstein, the volunteer coordinator.

Welcome Back to DHR!!!

DHR's New Middos Program!!

At DHR, we strive to educate the whole child. We believe that the social, emotional and spiritual health of a child is imperative to help our students learn and grow as individuals. Therefore, we are excited to announce our new Middos program!

Middos Menschen

When a child does something special to help a friend or displays wonderful middos, a "Middos Menschen slip" will be filled out by a teacher. The Middos Menschens will be read aloud by Mrs Goldstein on Fridays at the end of the day. The children will be mentioned in the newsletter and their parents will receive a Middos Menschen car magnet!

Middos Class- grades 1-4

The younger grades will enjoy a weekly Middos class with Mrs. Mammon. In this program, the students will explore and study different Middos, and discuss how they can develop these character traits and better their interpersonal relationships. Through activities, songs, and role playing, we would like to impart to the students the feasibility of character growth and its importance as a lifelong goal.
