## Updates

- Friday, November 10 - Veterans Day - **No Busing**
- Back In Stock!** Great news! Just in time for Fall, we have DHR zip-up hoodie sweatshirts back in stock in all sizes. Only \$20 each.
- The Cholent-Mobile will ride in Brighton today! Beginning next week, cholent will be sold at school during lunch for \$1.25 per bowl.
- Tradition Soup - The 8th grade girls are once again selling tradition soup. Each soup is \$1.75. Please make sure to send disposable silverware for your children's lunches and/or snacks if needed. DHR does not supply cutlery.

## From the Principal

Mrs. Lea Goldstein

DHR's Annual Scholarship Auction is now six weeks away! We'll have a new venue, an exciting Chanuka Party theme and live music! We're working hard at soliciting, organizing and assembling fabulous packages for our live and silent auctions. Please help us spread the word! Contact businesses, friends and other connections and ask them to donate items for the auction. Remind business owners that their donation is "win-win" - our school benefits by having more quality items to auction off (thereby raising additional funds for scholarships) and their company benefits from the tax write-off and great publicity.

The attached Scholarship Auction package includes solicitation materials and information about the new Chanuka Challenge! Please take a few minutes to look through the attached packet.

Finally, we really need your help! In addition to the required give-or-get commitment, your assistance will help make this our best, most successful Scholarship Auction ever! Please call the office to volunteer! We need volunteers for solicitation, follow-up calls, shopping, pick-ups and kitchen help. Thank you!

## 4th-Grade Field Trip to Ganondagan

The 4th graders visited Ganondagan Historical Site on Thursday. Along with exploring one of the last remaining Longhouses of the Haudensaucnee Native Americans, they also interacted with authentic Seneca nation artifacts and members of their community. They really enjoyed seeing the places and objects that they are learning about in Social Studies, and had an overall great time. Thanks to driver, Mrs. Kozadayev.

## Thank You to...

- ...Mrs. Rivka Leah Hauser for volunteering her time in the office.
- ...Mrs. Jessica Nussbaum for volunteering in the office to work on

## Phys. Ed

- The seventh and eighth grade boys finished up their fitness unit with some rope climbing.

- Just a reminder, all students must be wearing the proper footwear in order to participate in Phys. Ed. Please be sure that your children are wearing sneakers on

- If your little person cannot yet tie their shoes, please spend some time at home on that important skill! Mrs. Klosterman is also reinforcing that in Kindergarten.
