

## Tu B'Shvat Celebrations!

## Torah Fair

Tuesday, Feb. 6 from 5:30-6:30pm - Torah Fair! We are looking forward to greeting all of you, men, women and children at this year's Torah Fair on Tuesday evening. It's going to be great!

D.H.R.'s Annual Torah Fair!

## From the Principal Mrs. Lea Goldstein

The first semester just ended and I've been reviewing report cards as teachers submit their grades and comments. I noticed something fascinating that seems to have a major impact on children in their classes as well as in nearly all areas of their lives.

Children who have weak organization skills struggle with handling information in an effective and logical way. They often have difficulty setting priorities, making plans, sticking to a task and getting things done. These skills become increasingly important as children grow up. Often, these skills are not innate and parents need to teach children how to become organized. There is a lot at stake. Attached is more information about how organization can affect learning.

## Middos Menschen

- Benny Diskind, 4th grade** - Benny saw that the visitor in his classroom did not have a chair. He stood up and offered his chair and went to get another one. - Mrs. Stoller
- Shoshi Hirschfeld, K** - I dropped some papers and Shoshi ran to help me clean them up! - Mrs. Mammon
- Rena Sloviter, 2nd grade** - Rena was kind and let her classmates use the (cooler) electronic timer for a math center. -Mrs. Polatoff
- Moshe Tsits, 5th grade** - Moshe helped a friend clean up in the lunch room without hesitation. - Ms. McDonnell
- Aron Dov Vogel, K** - Aron Dov listened right away when I gave him special instructions. - Mrs. Mammon

## Benching Superstars!

- |                    |                 |              |

| Meira Tova Dan     | Batsheva Max    | Esther Tsits |
| Adina Goldstein    | Veronica Mendez | Nosson Yaras |
| Tammy Hauser       | Avital Polatoff |              |
| Batsheva Hein      | Malka Shulman   |              |
| Benyamin Kozadayev | Tehila Solomon  |              |

## Mazel Tov to...

...Ahron Zvi Lomner upon the occasion of his bar mitzvah!

## 2nd Grade Hands-On Math Fun!

Mrs. Polatoff's 2nd graders worked on a fun "hands on" math activity, showing number values and the comparison of two numbers!

## Congratulations to the 7th Grade Boys!

A special congratulations to the 7th grade boys! They earned a class average of 96% on their Imperialism unit test. Great job, gentlemen! Your studying and hard work paid off! - Mrs. Colombo and Mrs. Goldstein.
