

## Daughters of Destiny

The 6/7<sup>th</sup> grade girls did an OUTSTANDING job on their "Daughters of Destiny" presentation.

The girls presented the life and challenges of Rebbitzin Miriam Feldman, a"h. The girls depicted her life and the time period in which she lived, through a song-dance, a skit, a mock video interview and a poster! Well done!

## From the Principal

Mrs. Lea Goldstein

How can we show our appreciation to our children's wonderful teachers? We should continue to do one of our most important parental duties: teaching and modeling for our children the importance of hakaras hatov, recognizing and appreciating those who labor on our behalf. We need to teach our children to show through their words and deeds that they truly appreciate all that their teachers do for them.

Yesterday's Teacher Appreciation Picnic was beautiful. Since the weather didn't cooperate, we celebrated in the gym. We would like to thank Mrs. Malkie Noble for shopping, organizing and setting up the delicious lunch, as well as Mrs. Esther Kozadayev and other parent volunteers. We also really enjoyed the 2nd and 3rd grade musical Middos presentations organized by Mrs. Mammon.

## "Camping" and making S'mores with K and 1st

The kindergarten and first grade classes spent Thursday reviewing concepts taught throughout the school year with a camping theme. They played Bingo, made S'mores, went on a scavenger hunt,

practiced writing sight words, and completed a camp learn-a-lot review packet. The children had so much fun sitting around a pretend campfire and doing all of the fun activities!
