## From the Principal

Mrs. Lea Goldstein

On Thursday morning, we had a special minyan and breakfast at DHR to commemorate the shloshim of David Flaum, a"h. We would like to express our thanks to all those who joined our minyan, and to the Flaum and Ressler families for attending the event. Mr. Asher Flaum spoke movingly about his father and Rabbi Danny Goldstein learned mishnayos and shared an inspiring story about David. We also want to express our appreciation to DHR parent Mr. Yoni Dahari who made a beautiful and delicious breakfast and to our 6/7 boys, Rabbi Ross Kosow and Mr. Jeremy Loncaio for helping with set-up of the gym and breakfast.

## Special Tefillos

On Wednesday, our Eighth Grade girls visited the kever of Sharon Polatoff, a"h. Mrs. Mammon spoke to the girls about Sharon's simchas hachayim, her generosity, her incredible chessed, and how she used her wisdom and many talents to serve Hashem. May her memory be a blessing. Our students then walked to Gavi Springut's kever. They discussed and remembered his simcha, enthusiasm and wonderful lessons that he taught us. They said Tehillim in his memory. Finally, a special thank you to the Roness family for sponsoring a day of learning in Gavi's memory!
